Custom Automobile Strut Mount Parts 54610-C5000 TS16949 Standard

Our Product Introduction

For more products please visit us on automobile-sparepart.com

Basic Information

- Place of Origin: CHINA
- Brand Name: NABO
- Certification: TS16949
- Model Number: 54610-C5000
- Minimum Order Quantity: 10 PCS
- Price: USD3.57 ~ USD4.58
- Packaging Details: poly bag or air bubble bag, any boxes with customers' label, Corrugated box , Standard tray
- Delivery Time: 3~30 work days
- Payment Terms: D/P, L/C, T/T
- Supply Ability: 1000 pcs per day

Product Specification

- Product Name: Auto Strut Mount
- Material: Rubber And Steel
- Packing: Any Box According To Customers' Requirement
- Car Make: For Hyundai
- Warranty: 24 Months
- Standard: TS16949
- Highlight: **Automobile Strut Mount Parts,
Custom Strut Mount Parts, 54610-C5000**

Product Description

54610-C5000 Strut Mount for HYUNDAI GRANDEUR H-1 ix55 SANTA FE II KIA CARNIVAL III 54610 C5000

Product Description:

A **strut mount**, also referred to as a *suspension mount* or a *shock mount*, is an essential element of a car's suspension system. This part functions as the connection point between the strut assembly and the automobile's chassis or body. The strut mount plays an important part in granting support, stability and damping vibrations for the suspension system.

Features:

Our strut mount is engineered to provide maximum support and stability for the suspension system. It serves as a strong connection point between the strut assembly and the vehicle's chassis or body, effectively distributing loads and forces.

High-quality rubber or polyurethane bushings enable the mount to absorb impacts, shocks, and vibrations from the road, while also dampening unwanted noise. This helps maintain a smooth and comfortable ride.

The mount's articulation also facilitates proper suspension alignment. It allows the strut assembly to finely balance the weight distribution, ensuring the wheels remain aligned with the road and avoiding uneven tire wear.

Built with superior materials and tested for maximum resilience, our strut mount ensures durability and longevity. It is capable of standing up to the demands of daily driving to provide reliable and stable support for your suspension system.

Support and Services:

Auto Strut Mount Technical Support and Service

At Auto Strut Mount, we are committed to providing our customers with superior technical support and service. We strive to provide prompt, courteous, and knowledgeable support for all of our products.

Our technical support team is available to answer your questions and concerns about Auto Strut Mount products. We provide troubleshooting assistance for installation and use of our products, as well as offering helpful advice about product selection and customization.

We also offer free software and firmware updates for our products. These updates are designed to enhance your experience with Auto Strut Mount products, and can help to ensure that your system is running optimally.

If you need help with a product or service, please contact our technical support team at 1-800-123-4567. We look forward to helping you with your Auto Strut Mount needs.

FAQ:

1. Who are we?

We are based in Guangzhou, China, start from 2018, we are specializing in all kinds of spare parts for Japanese cars and Korean cars, for example, engine parts, suspension parts, electric parts, steering parts, transmission parts, body parts. . .

2. How can we guarantee quality?

Always a pre-production sample before mass production;

Always final inspection before shipment.
