

51715-B2050 Steering Knuckle For Kia 2014-2017 Soul EV 2015-2019 Front Left Driver Side

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: NABO
- Certification: TS16949
- Model Number: 51715-B2050
- Packaging Details: poly bag or air bubble bag, any boxes with customers' label, Corrugated box , Standard tray
- Payment Terms: D/P, L/C, T/T

Product Specification

- Product Name: Steering Knuckle
- Size: Standard
- Warranty: 12 Months
- Highlight: 51715-B2050 Steering Knuckle, Steering Knuckle For Kia 2014

Product Description

51715-B2050 Steering Knuckle For Kia 2014-2017 Soul EV 2015-2019 Front Left Driver Side

Product Description:

A steering knuckle, also referred to as a steering upright or spindle, is an essential element of a vehicle's steering mechanism. Located at the front axle, it plays a vital role in linking the wheel hub or bearing assembly to the suspension components and steering linkage.

Features:

Premium-Grade Materials: We utilize only the highest quality materials in our steering knuckle production. Our materials, including forged and cast steel, are rigorously tested to meet industry standards, providing exceptional strength, durability, and resistance to wear and tear. This ensures long-lasting performance and reliability.

Corrosion Resistance: To ensure the longevity of our steering knuckle, we treat it with specialized coatings or finishes to protect against corrosion and withstand harsh environmental conditions. This added protection maintains the knuckle's performance and extends its lifespan.

Enhanced Performance: Our engineering team has designed our steering knuckle to deliver smooth and precise steering response for accurate control and maneuverability. It helps maintain proper wheel alignment and suspension geometry, resulting in improved handling and an overall better driving experience.

Tested and Certified: Our steering knuckle goes through rigorous testing and quality control processes to guarantee its reliability and performance. It meets or exceeds industry standards and is backed by a warranty, providing you with peace of mind and confidence in your purchase.

FAQ:

1. Who are we?

We are based in Guangzhou, China, start from 2018, we are specilizing in all kinds of spare parts for Japanese cars and Korean cars, for example, engine parts, suspension parts,electric parts, steering parts,transmission parts, body parts. . .

2. How can we guarantee quality?

Always a pre-production sample before mass production;
